LIFESAVING RESOURCES LLC.

AQUATICS SAFETY • WATER RESCUE • ICE RESCUE

EDUCATION & EXPERIENCE

I, Gerald M. Dworkin, am employed by [Lifesaving Resources, LLC](#) as a professional Aquatics Safety and Water Rescue Consultant. I graduated from the [University of Bridgeport](#) in 1972 with a B.S. degree in Physical Education, and went on to receive a clinical affiliation in Corrective Therapy with the West Haven Veteran's Administration Hospital, in cooperation with the University of Bridgeport. I have also completed graduate level courses at the University of Bridgeport and the University of Houston in Guidance and Public Administration.

I am a member of the [Forensic Expert Witness Association](#) which is dedicated to the professional development, ethics and promotion of forensic consultants in all fields of discipline. As a member of FEWA, I am required to adhere to their Code of Ethics which can be viewed on their website at: <https://forensic.org/about/code-of-ethics/>

Throughout High School and College, I was employed as a Lifeguard and/or Lifeguard Supervisor and Aquatics Director at a variety of facilities, including the Fairfield County YMCA in Fairfield, CT; the Jewish Community Center in Bridgeport, CT; and the Hillandale Country Club in Trumbull, CT. I also substituted as a Lifeguard at Jones Beach in New York. I completed training as a Water Safety Instructor and First Aid Instructor through the American Red Cross and taught multiple progressive swimming courses, as well as numerous Lifesaving courses for the American Red Cross. While in College, I was also a volunteer Firefighter with the Long Hill Volunteer Fire Department in Trumbull, CT.

LIFESAVING RESOURCES L.L.C.

AQUATICS SAFETY • WATER RESCUE • ICE RESCUE

Upon graduation from the University of Bridgeport, I was employed by the American Red Cross for 14 years as a Health and Safety Services Professional for several Red Cross chapters or offices around the country, including my work as a Field Representative for Eastern Area Operations, covering parts of New York, New Jersey, and Pennsylvania; as a Director of Educational Programs for the Westchester County Chapter in White Plains, NY; as a Director of Safety Services for the Greater Houston Area Chapter and Tejas del Sur Division of the American Red Cross in Houston, TX; and as a Consultant for National Headquarters in Washington, D.C. While working for the American Red Cross I was responsible for the development, implementation and administration of Water Safety, Boating Safety, First Aid and CPR/AED programs. This included the training and supervision of Water Safety and Lifeguard Instructors and Instructor Trainers, as well as First Aid, CPR, and Boating Safety Instructors and Instructor Trainers. While serving with the Westchester County (NY) and the Gr. Houston Area Chapters of the American Red Cross, I was responsible for administering programs in those chapters that resulted in the training and certification of over 30,000 people annually in Water Safety and Progressive Swimming, Lifesaving and Lifeguarding, Boating Safety, First Aid and CPR.

While with the American Red Cross, I was also responsible for the development of and conduct of several mass CPR and mass CPR Instructor training programs, including a mass CPR event in the Houston Astrodome. I was also instrumental in writing grants to fund many of these training programs.

I am currently, and have been continuously certified as a Firefighter since 1970, and have worked as a Volunteer, Paid-on-Call, and Career Firefighter in Connecticut, Virginia, and New Hampshire. I am currently a Paid-on-Call Firefighter with the [Kennebunkport \(ME\) Fire Department](#). I am qualified as an Interior Firefighter, an Apparatus Technician, and am also certified in Radiological Monitoring, Emergency Vehicle Operations, Boat Operations, Rescue Operations, and HazMat Awareness and Operations.

I am currently licensed and certified as an Emergency Medical Technician and work with the [Kennebunkport Emergency Medical Services \(KEMS\)](#). I have been continuously licensed and certified since 1972, having worked as an EMT in Connecticut, New York, Texas, Virginia, New Hampshire, and now Maine. While living and working in New York, Texas, and Virginia, I was also authorized in those states as an EMT Instructor and have conducted numerous EMT training programs and have certified hundreds of Emergency Medical Technicians in those states.

LIFESAVING RESOURCES LLC.

AQUATICS SAFETY • WATER RESCUE • ICE RESCUE

I have authored over 40 articles and several textbooks in the areas of Aquatics Safety, Lifeguarding, Water Rescue, Ice Rescue, and pre-hospital Emergency Medical Services (EMS). Many of these articles are included within the [Issues in Safety and Rescue Section](#) of the Lifesaving Resources' web site, and they have been published in various trade publications such as Parks and Recreation Magazine; Aquatics International Magazine; Emergency Medical Services Magazine; the Journal of Emergency Medical Services (JEMS); Advanced Rescue Technology Magazine; Firehouse Magazine; Fire Chief Magazine; and the Journal of Health, Physical Education, Recreation and Dance (JHPERD). Several of these articles have been re-printed in other trade and professional publications within the United States as well as other countries.

In my capacity as a Lifeguard, EMT and Firefighter, I have personally responded to numerous respiratory and cardiac distress and/or arrest emergencies, including submersion incidents. As an Aquatics Safety and Water Rescue Consultant, I develop Aquatics Safety, Lifeguarding, Water Rescue, Swiftwater Rescue, Ice Rescue, and EMS curriculums, and continuously conduct educational programs throughout the United States. Our company also conducts an annual International Water Rescue Train-the-Trainer Academy, as well as an annual International Ice Rescue Train-the-Trainer Academy for the purpose of training and authorizing Water Rescue, Swiftwater Rescue, and Ice Rescue Instructors for Fire, Rescue, EMS, and Law Enforcement agencies from throughout North America. In addition to my Firefighting and EMT certifications, as well as my Instructor authorizations through Lifesaving Resources, LLC, I am currently authorized as a CPR Instructor for the American Safety and Health Institute. I am regularly a guest speaker/presenter at numerous regional, state, and national Aquatic, Recreation, EMS, or Fire and Rescue conferences throughout the United States, and have presented at international conferences as well in Ireland and Germany.

I am regularly contacted by radio stations, magazines, and television networks to provide opinions and/or expertise in the area of Aquatics Safety, Water Rescue, or Ice Rescue and have been interviewed and have appeared as a subject-matter expert on such nationally-syndicated broadcasts as CNN Healthwatch; NBC's Today Show; MSNBC News; ABC's Good Morning America; CBS' The Early Show; The Discovery Channel; The History Channel; The Weather Channel; Fire Emergency Training Network; and the G. Gordon Liddy Show (Radio America), as well as numerous regional programs, such as Good Morning Houston in Texas, New Hampshire Public Television, New Hampshire Chronicle, Connecticut 12 News, WMUR in New Hampshire, and all the news channels in Maine.

LIFESAVING RESOURCES LLC.

AQUATICS SAFETY • WATER RESCUE • ICE RESCUE

Lifesaving Resources, LLC develops education curriculums for the Public Safety and Rescue, as well as the Lifeguard and Aquatic Recreation Sectors. These programs include our Water Rescue, Swiftwater Rescue, and Ice Rescue Awareness, Operations, and Technician level courses, as well as other specialized training programs including:

- The Power of Water
- The Scared Straight of Aquatics
- Escape and Rescue from Submerged Vehicles
- Lifeguard Training, Operations and Management
- Standard of Care for the Prevention, Recognition and Management of Drowning and Aquatic Injuries

These programs focus on the prevention, recognition, and management of drowning and aquatic injuries, as well as their potential, and several of these programs are described within the [Educational Programs Section](#) of our website. Our company also trains and authorizes Water Rescue and Ice Rescue Instructors for Public Safety and Rescue Agencies. We currently have over 350 authorized instructors throughout the U.S. and Canada. In addition, at the Technician level, we have trained rescue personnel from over 30 states within the U.S., as well as from Canada, Greece and Norway.

Lifesaving Resources, LLC is dedicated to drowning and aquatic injury prevention and emergency management. Our company maintains an extensive and technical 2,000+ page that attracts visitors from throughout the world who consider our website and company to be a professional and technical resource for Lifeguard, Aquatics Safety, Recreation, Fire, Rescue, EMS, and Law Enforcement Professionals.

As a professional Aquatics Safety and Water Rescue Consultant, I often consult in the development of rescue and training products as well as educational materials (i.e. textbooks, videos, etc.). I also regularly consult as a Forensics Expert in drowning, aquatic injury, and pre-hospital EMS cases. The opinions I render as an Expert are always consistent with the principles and procedures advocated within our educational programs. To view a recent product development/evaluation project, please access: <https://vimeo.com/136766355>

LIFESAVING RESOURCES LLC.

AQUATICS SAFETY • WATER RESCUE • ICE RESCUE

I have been involved with the [National Drowning Prevention Alliance](#) (NDPA) since 2005 as a member and have served on their Advisory Board during 2007 and 2008, their their Board of Directors from 2009 to 2015, and their Executive Board during 2010 and 2011. The NDPA is a national non-profit organization dedicated to drowning prevention and water safety.

I also served on an Advisory Committee for the [International Swimming Hall of Fame](#), and on a Sounding Board for the American Red Cross in the development of their Lifeguard training materials. I currently hold memberships with the [United States Lifesaving Association](#), the [National Water Safety Congress](#), the [National Safe Boating Council](#), as well as the Atlantic Hall Volunteer Engine Company, Inc.

In February of 2010, I was named by [Aquatics International Magazine](#) as one of the Power 25 Aquatic Professionals that included 25 individuals "that are forging the path toward tomorrow. From producing ground-breaking research to changing safety standards, these industry leaders are pushing the envelope and striving to reinvent aquatics."¹ And, in 2014, I was awarded the Ripple Award by the National Drowning Prevention Alliance at their annual Drowning Prevention Symposium.

In addition to my numerous speaking engagements throughout the United States, as well as my work as a Subject Matter Expert for national media broadcasts, in April 2013 I was a featured speaker at the [Lifesaving Foundation's](#) 2013 Drowning Prevention and Rescue Conference in Dublin, Ireland. I also presented a technical session at the 2014 World Conference on Drowning Prevention in Potsdam, Germany in October.

LIFESAVING RESOURCES LLC.

AQUATICS SAFETY • WATER RESCUE • ICE RESCUE

PROFESSIONAL EXPERIENCE

Lifesaving Resources, LLC (Kennebunkport, ME)

October 1984 to Present

Aquatics Safety and Water Rescue Consultant

- Provide technical consultation regarding matters of Aquatics Safety, Water Rescue, EMS, Health and Safety, and Technical Rescue.
- Develop and market educational programs, materials, and services in Aquatics Safety, Water Rescue, Ice Rescue, and EMS.
- Conduct Aquatics Safety, Water Rescue, Ice Rescue, and EMS programs as required.
- Provide consultation to attorneys engaged in drowning, aquatic injury, and pre-hospital EMS litigation.
- Review depositions, prepare summary opinion reports, provide testimony in depositions and trials in matters pertaining to drowning, aquatic injury, and pre-hospital EMS litigation.
- Develop, test, and evaluate rescue and safety equipment developed for Water Rescue, Ice Rescue, and EMS operations and training.
- Manage sales division of Water Rescue, Ice Rescue EMS, and Technical Rescue equipment.

Fairfax Co. Fire and Rescue Department (Fairfax, VA)

June 1991 to October 1993²

Firefighter/EMT

- Respond to fire and EMS alarms as well as other emergency calls to protect life and property.
- Perform skilled work in combating, extinguishing and preventing fires.
- Perform skilled work in EMS, rescue, and extrication operations.
- Respond to medical emergencies and provide immediate life saving/sustaining procedures to sick or ill patients, and assists in their transport to medical facilities.
- Serves as driver of Basic Life Support (BLS) and Advanced Life Support (ALS) ambulances for safe and effective response to emergency incidents and in the safe transport of patients and crew.
- Serves as officer in command of BLS ambulance.
- Responsible for preparation and maintenance of BLS and ALS ambulances, as well as other emergency vehicles.

American Red Cross

October 1972 to August 1986

² Conducted EMT training programs as faculty for George Washington University from 1987 - 1995 on behalf of the Fairfax County Fire and Rescue Department.

LIFESAVING RESOURCES LLC.

AQUATICS SAFETY • WATER RESCUE • ICE RESCUE

Health and Safety Services Director

- Develop, implement, administer, evaluate educational programs and services in areas of First Aid, CPR, Boating and Water Safety to include Lifeguard Training, Industrial and Community Safety Education, First Aid Stations.
- Recruit, train, and supervise professional and volunteer instructors and instructor trainers; as well as program and clerical staff.
- Responsible for budget development and management, public relations, and fund raising.

National Headquarters (Washington, DC)	11/85 - 08/86
Greater Houston Area Chapter (Houston, TX)	09/80 - 08/85
Westchester County Chapter (White Plains, NY)	07/73 - 09/80
Eastern Area Headquarters (Alexandria, VA)	10/72 - 07/73

Harrisville Fire & Rescue Department

1997 to 2011

Firefighter and Emergency Medical Technician³

- Respond to fire and EMS alarms as well as other emergency calls to protect life and property.
- Perform skilled work in combating, extinguishing and preventing fires.
- Perform skilled work in EMS, rescue, and extrication operations.
- Respond to medical emergencies and provide immediate life saving/sustaining procedures to sick or ill patients, and assists in their transport to medical facilities.

Kennebunkport Fire & Rescue Department

2012 to present

Firefighter and Emergency Medical Technician

- Respond to fire and EMS alarms as well as other emergency calls to protect life and property.
- Perform skilled work in combating, extinguishing and preventing fires.
- Perform skilled work in EMS, rescue, and extrication operations.
- Respond to medical emergencies and provide immediate life saving/sustaining procedures to sick or ill patients, and assists in their transport to medical facilities.

³ Served as Deputy Rescue Chief 2000 - 2002.

AQUATICS SAFETY • WATER RESCUE • ICE RESCUE

Subject Matter Expert on The Weather Channel, on the subject of Ice Safety and Rescue. February 2010 and February 2012.

Subject Matter Expert on G. Gordon Liddy Show (Radio America), January 16, 2009, regarding January 15, 2009 Plane Crash in New York City.

Subject Matter Expert for CBS News segment on January 12, 2009 on the subject of Escape and Rescue from Submerged Vehicles.

Subject Matter Expert for The History Channel's segment on Primal Fears that will air in October 2008.

Subject Matter Expert for Mustang Survival on promotion and marketing of the Mustang Ice Commander Rescue Suit.

Subject Matter Expert for ABC's Good Morning America segment in July 2007 dealing with "Escape and Rescue from Submerged Vehicles".

Subject Matter Expert for TWL Knowledge Group in development of a Swiftwater Rescue curriculum for airing in Fire and Rescue stations throughout the U.S. Due for completion in April 2007.

Subject Matter Expert for New Hampshire Chronicle segment on "Heroes on Ice", which aired February 2007.

Subject Matter Expert for CBS News, The Early Show segment on December 13, 2006 on Ice Safety and Rescue.

Subject Matter Expert for The Discovery Channel in the development of a series recognizing citizen heroes which is planned to be aired during summer or fall 2007.

Subject Matter Expert for TWL Knowledge Group in development of a Ice Rescue curriculum for airing in Fire and Rescue stations throughout the U.S. Due for completion in Fall 2006.

Subject Matter Expert for NBC's Today Show segment on August 18, 2006 dealing with "Rescue and Escape from Submerged Vehicles".

Subject Matter Expert for CBS News, The Early Show segment on February 06, 2006 titled, "On Thin Ice, And In Danger".

Subject Matter Expert for MSNBC live news broadcast December 2005 regarding vehicle off a pier into the Hudson River in New York City.

Subject Matter Expert for Good Morning America on November 26, 2005 regarding Ice Safety.

Subject Matter Expert for MSNBC live news broadcast on November 25, 2005 regarding double-drowning/ice skating incident in Wisconsin.

LIFESAVING RESOURCES LLC.

AQUATICS SAFETY • WATER RESCUE • ICE RESCUE

Subject Matter Expert for NBC's Today Show segment on November 15, 2005 titled, "How Does It Feel... to be Trapped Underwater?"

Listed in the History of Greek Lifeguarding textbook, published in 2005.

Member Board of Directors for the American Red Cross - New Hampshire West Chapter (1999 - 2003)

Developed educational curriculums in Aquatics Safety, Hypothermia, Ice Rescue and Water Rescue. Regularly conduct these programs throughout the U.S. for Aquatic Recreation and Public Safety and Rescue personnel. Programs include:

- Professional Aquatics Safety Seminar (PASS)
- The Prevention, Recognition and Management of Pediatric Submersion Incidents
- Water Rescue Training Courses (Awareness, Operations, and Technician levels, and Train-the-Trainer)
- Ice Rescue Training Courses (Awareness, Operations, and Technician levels, and Train-the-Trainer)
- Foundations in the Standards of Care for the Prevention, Recognition and Management of Drowning and Aquatic Injuries Presentation
- The Preparation and Training of Public Safety and Rescue Personnel for Water and Ice Rescue Incidents Presentation
- Lifeguard In-Service Training Programs (LTP)

Subject Matter Expert for numerous newspaper, magazine, and radio station interviews on subjects of Aquatics Safety, Water Rescue and Ice Rescue (1973 to present).

Received recognition as "Friends of the Academy" from the Committee of the European Lifeguard Academy" for both Gerald M. Dworkin and Lifesaving Resources Inc. (September 2003).

Subject Matter Expert on subject of Ice Rescue on Massachusetts Public Television "Get Out Alive" Special (1998).

Recipient of Surf Web's Academic Excellence Award (1999)

Recipient of City of Houston (TX) Resolution Proclaiming July 3, 1985 as Gerry Dworkin Day.

Subject Matter Expert on CNN's Health Watch on subject of CPR (1985).

Subject Matter Expert on nationally syndicated show, The Dr. Red Duke Health Show, on 4 occasions (1983 - 1985) on subjects of Aquatics Safety and Water Rescue.

Subject Matter Expert on Good Morning Houston, an NBC affiliate, on 6 occasions (1980- 1985).

Recipient of the American Red Cross Lifesaving Award: The Certificate of Merit (1979).

LIFESAVING RESOURCES L.L.C.

AQUATICS SAFETY • WATER RESCUE • ICE RESCUE

Served on the Board of Directors for the Westchester County (NY) Emergency Medical Services Council (1974 - 1980).

Guest Speaker at state, regional and national conferences on subjects of Aquatics Safety, Water Rescue, EMS, or Ice Rescue:

- Conducted Drowning Case Study Webinar for the Club Managers Association of America, May 21, 2020 (205 participants).
- Conducted Drowning Case Study Webinar for the Aquatics Section of the California Parks and Recreation Society, May 13, 2020.
- Conducted Drowning Case Study Webinar for the Wisconsin Chapters of the Club Managers Association of America, May 12, 2020.
- Conducted Drowning Case Study Webinar for the National Drowning Prevention Alliance, June 10, 2020.
- Conducted Drowning Case Study Webinar for the Aquatics Section of the New Jersey Recreation and Park Association, June 18, 2020.
- Conducted training for the Maine EMS Conference in Rockport, Maine. October 2019.

CPR TRAINING & EXPERIENCE

- Lifesaving Resources is currently licensed as a Training Center for the American Safety & Health Institute to conduct CPR and First Aid Training Programs.
- Initially trained and certified in First Aid at age 15 and was authorized as a First Aid Instructor for the American Red Cross in 1967.
- Worked as a volunteer Firefighter at age 18 for the Long Hill Volunteer Fire Department in Trumbull, CT (1967-1972).
- Responded to my first cardiac arrest 1968 on the golf course of the Hillandale Country Club in Trumbull, CT, while working as the Aquatics Director at that facility.
- Participated in my first CPR training while participating in an Emergency Medical Technician (EMT) course in Bridgeport, CT in 1972.
- Authorized in American Heart Association CPR in 1973, and authorized as an Instructor and Instructor Trainer for the American Red Cross in 1973.
- Implemented a county-wide CPR training program in Westchester County, NY in 1973 which resulted in an annual training of approximately 20,000 persons per year by 1980.
- Worked as adjunct Faculty for the American Heart Association and the Westchester Community College from 1974 to 1980 to train CPR Instructors for the American Heart Association.
- Worked as an adjunct professor for the Westchester County Community College (NY) and the Westchester County Emergency Medical Services Council to conduct EMT training programs (1974 - 1980).
- Worked part-time as an EMT for the Abbey-Richmond Ambulance Service which provided Police Paramedic Services for the (NY) cities of White Plains, New Rochelle, and Mount Vernon (1978 - 1980).
- Published "Reading, Writing, Arithmetic, and Resuscitation", in the Journal for Health, Physical Education, and Recreation (1980).
- Published "Teaching CPR In The Schools - An EMS Perspective" in Emergency Medical Services Magazine (1981).
- Implemented a 12-county-wide CPR training program in the Greater Houston (TX) area in 1980 which resulted in an annual training of approximately 35,000 persons per year by 1985.
- Conducted EMT training programs on behalf of the San Jacinto (TX) Community College (1980 - 1982).
- Consulted for the National Headquarters of the American Red Cross in the development of a First Aid and CPR training videotape (1985 - 1986).
- Conducted EMT and CPR training programs on behalf of the George Washington University (Washington, D.C.) for the Fairfax County Fire and Rescue Department (1986 - 1991).
- Published CPR for Infants and Children, through the Child Welfare League of America (1989).
- Worked as a Firefighter/EMT for the Fairfax County Fire and Rescue Department (1991 - 1995) during which time I responded to over 100 cardiac arrests.
- Annually re-certified in CPR every year since 1973 to present.

LIFESAVING RESOURCES L.L.C.

AQUATICS SAFETY • WATER RESCUE • ICE RESCUE

- Annually re-authorized in CPR as a CPR Instructor every year since 1973 to present.
- Currently authorized as a CPR Instructor for the American Safety and Health Institute since 1997.
- Recertified continuously since 1973 as an Emergency Medical Technician (EMT), and have been certified as an EMT in Connecticut, New York, Texas, Virginia, and New Hampshire, as well as through the National Registry of Emergency Medical Technicians.
- Currently work as a Firefighter/EMT for the Harrisville Fire Department (NH).
- Responsible for implementing a Public Access Defibrillation program in Harrisville (2000).
- Regularly conduct CPR training as part of our on-going Lifeguard In-service Training Programs, Professional Aquatics Safety Seminars, and other programs conducted throughout the U.S.
- Responded as a Firefighter/EMT to out-of-hospital cardiac emergencies within Harrisville, NH (1997 – 2011).
- Regularly conduct CPR training programs on behalf of the American Safety and Health Institute.
- Regularly conduct training on proper response to respiratory and cardiac emergencies as part of Lifeguard, Water Rescue, and Ice Rescue training curriculums.
